SAMMY RIVAS, MD, FACS      RICHARD ROSEN, MD, FACS      TIM WEST, MD, FACS      GERALD WOOLAM, MD,

Welcome to our office and thank you for choosing Lubbock Surgical Associates. Our office is located at **3611 22<sup>nd</sup> Place**, two blocks south of Covenant Medical Center. Our phone number is **(806) 771-2222**.

As a new patient, you will be mailed all registration forms. Please complete the forms **in ink**. Please bring **all completed** forms along with your insurance card(s), if applicable, with you on the day of your appointment. Please do not mail your completed forms. You will also need to bring:

**Referral number from your primary care physician, if required by your insurance**

**Any X-Rays, CT Scan, Ultrasound or MRI (please bring film and reports)**

**Any lab results or pathology reports**

\*\*\*Please note, failure by you or your referring physician to provide any of the above listed items may cause us to reschedule your appointment\*\*\*

If surgery is required, you will meet with Mary Ann, our Physician Coordinator, to schedule a surgery date. Your insurance, the type of procedure being performed, your schedule and your physician's schedule are all taken into consideration when choosing a surgery location. LSA physicians operate at the following locations:

**Covenant Medical Center** (inpatient and outpatient procedures)

**Covenant Surgicenter** (approved outpatient procedures)

**NorthStar Surgery Center** (approved outpatient procedures)

**University Medical Center** (inpatient and outpatient procedures)

If you have a surgery location preference, we will do our best to accommodate. Please keep in mind that your insurance or the procedure being performed may limit your location options.

After your surgery is scheduled, you will meet with Debra, our Financial Coordinator. Debra will explain:

**The cost of your procedure**

**The amount your insurance will cover**

**The amount you are responsible for paying**

It is our policy to collect the patient portion of surgery fees **prior** to the procedure. Patient portion of surgery fees can include your deductible and any co-insurance amounts not covered by your policy. You have the option of paying with cash, personal check, credit card or money order.

If you have any questions regarding your appointment or any of the forms, please feel free to contact our office. Again, welcome to our practice.

Sincerely,

Allison Mooney  
Practice Manager
